PLEASANT AFFAIR:

Mrs. W. M. Burton very charmingly entertained the members of the Auxiliary of the C. P. Missionary Society on Friday afternoon. The meeting was full of interest and enthusiasm. Plans for a W. E. M. Day were discussed, which will be held with Mrs. E. G. Parkes on Friday March 28. Program announced next week. Delegates were elected to the May convention at Bowling Green, Kentucky. Mrs. E. G. Parkes delegate, Mrs. Y. T. Garrett alternate. The life, achievements and work of the first great missionary to Ireland Saint Patrick was brought out. Two new members Mesdames U. B. Usseld and Jas. UMBRELLA SHOWER:

The Umbrella Shower at the home of Mr. and Mrs. Marion Richardson under the auspices of the Earnest Workers of the Baptist Church was an evening of delightful pleasure to all present. The program was splendid and was as follows:
Piano solo Waymon Dalton
Bible Strawberries by 3 boys and 4 girls
Reading The face on the floor
Bobbie Griggs
Duet "I'm so shy"
Annie Richardson and Willie Bridges
Reading "The Old Red Griddle"
Mia Wilkins
Reading Little Boy Blue
Annie Richardson
Chorus "Hav' of other days"
Each number was as good as the best and thoroughly enjoyed. A musical

contest was given in which all the guests participated. Sixteen gave correct titles to the sketches played by Mrs. H. P. Smiley, and in guessing a number from 1 to 50 the prize a shirt of music went to Miss Waymon Dalton. Drawing the man in the moon was another pleasing feature. In the dining room ice cream and cake, also sandwiches, coffee and nuts were served. In the decorations the red and white prevailed in the hall, parlor, dining and breakfast room were elaborate decorations and on the red and white umbrellas was written the program also. Mrs. Richardson in their most gracious manner received the guests in the front hall and throughout the evening to all present extended that hospitality that is so characteristic of them.

Constipation, if Neglected, Causes Serious Illness

Constipation, if neglected, leads to almost innumerable complications affecting the general health.

Many cases of typhoid fever, appendicitis and other severe diseases are traceable to prolonged clogging of the bowels. Regarding the effects of constipation, C. E. Ayers, 6 Sabin St., Montpelier, Vt., says:

"I was afflicted with constipation and biliousness for years, and at times became so bad I would become unconscious. I have been found in that condition many times. Physicians did not seem to be able to do me any good. I would become weak and for days at a time could do no work. Not long ago I got a box of Dr. Miles' Laxative Tablets, and after using them found I had never felt anything that acted in such a mild and effective manner. I believe I have at last found the remedy that suits my case."

Thousands of people are sufferers from habitual constipation and while possibly realizing something of the danger of this condition, yet neglect too long to employ proper curative measures until serious illness often results. The advice of all physicians is, "keep your bowels clean," and it's good advice.

Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box containing 25 doses. If not found satisfactory, your money is returned.
